Mother Teresa said that Christ comes to us in the distressing disguise of the poor. She also said that it is a terrible poverty that a child must die so that people might live as they wish.

Taken together, I believe that the poorest of the poor are those whose poverty lies in the loss of a child. We should consider them the face of Christ in our lives and help them with a kind word, a listening ear, a healing embrace.

Only love can overcome the tragedy of abortion, and that love must begin with each of us.
